

A BOLD CHOICE

People of the 41st District are **FED UP** and **TICKED OFF**. They're sick and tired of Republicans who have gone along with Democrats and raised their taxes and overspent their money! They know the establishment has stopped listening to the people and stays focused on their own interests. No wonder Rafael hears "*if you're connected, you're corrupted*" echoed everywhere he goes. It's time to reclaim the Republican Party and reform government by:

- ✓ *Chopping Taxes, Slashing Spending and Shrinking the Budget*
- ✓ *Reducing Health Care Costs through Tort Reform and Increased Competition*
- ✓ *Fumigating Springfield and Eradicating Patronage by Enacting Transparent Policies*
- ✓ *Limiting Politicians' Power through Term Limits*
- ✓ *Giving Parents — Not Unions and Bureaucrats — More Power and Real Choice with our Schools*
