

# Choose Conservative Policies & Principles Over Power & Pensions!

**Rafael Rivadeneira** has been a business owner for nearly 20 years and wants to use his experience and knowledge to help the DuPage County Board:

- *Eliminate publicly funded pensions for part-time DuPage County Board members.*
- *Cut spending, reduce the tax burden on families, and increase transparency.*
- *Improve efficiency, streamline operations, and consolidate wasteful or redundant levels of government.*
- *Limit politicians' power through term limits.*
